CABLE/SATELLITE DISH/INTERNET REQUEST

Date: _____

Request to install _____ at _____

in _____ room(s)

As of today's date, I (we) the tenants at the above referenced address, make a request to install the above.

We understand the following if approved:

1. We are responsible for the cost of installation and this will not be reimbursed to us at any time or for any reason. We understand and agree to pay for any charges to return the property to its original condition if the above was not installed in a workman like manner.
2. If a satellite dish, we must call the Home Owners Association (if applicable) and follow their rules, regulations and preferred installation location. The location must also be approved by AMI prior to standard installation and/or pole mount installation. **The dish must be removed prior to move out. If there is more than 1 rental unit in building dish must be clearly identifiable as your dish.**
3. We understand that if the company installing our request requires written authorization, they are to submit their documentation to AMI's office, and AMI will complete the documentation.
4. When leaving the property, it is the tenant's responsibility to disconnect the services and pay all billings incurred by the tenants listed below. Any damage incurred upon disconnection will be at the tenant's expense.
5. We understand **all** persons on the rental/lease agreement are required to sign below and all are jointly and severally liable.

Respectfully submitted by:

Tenant	Date	Tenant	Date
Tenant	Date	Tenant	Date

We understand that permission has not been granted until the form has been completed and signed by Assured Management, Inc.

Assured Management must complete the rest of this form

It is understood and agreed by all parties that the tenants living in the above property have permission from the property owner to install as indicated:
